## I am an EHCP Coordinator

One thing I like is...

When things go well.

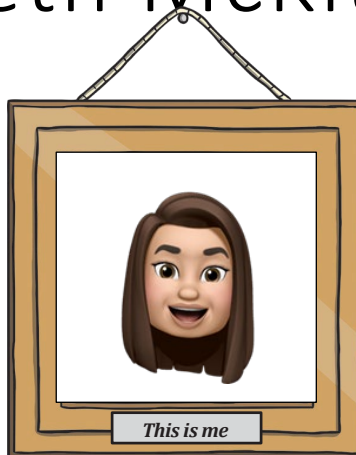

One thing I don't like is...

When barriers are in the way.

The best way to communicate with me is...

Through email. I will always try and reply to you on the same day.

The best thing about my job is...

Getting the right support for young people.

Words that describe me...

Open, understanding and dedicated.

I promise that...

1. Children and young people come first and you will see this is at the centre of everything we do together.
- 2 I will work in a professional way at all times to give you confidence in us working together.
- 3 good communication matters.
