

All about Rachel Mann

I am the SEND Inclusion and Training Officer

One thing I like is...

Making small changes that have positive impact for children and families.

One thing I don't like is...

Not delivering on a promise so I don't promise things I cannot deliver.

The best way to communicate with me is...

By phone, email or in person, I really don't mind.

The best thing about my job is making a positive difference to children and young people's lives.

Words that describe me...

Committed, optimistic,
honest.

I promise that:

1. Children and young people come first and you will see this is at the centre of everything we do together.
2. I will work in a professional way at all times to give you confidence in us working together.
3. Good communication matters.
