

All about Beth McKitterick

I am a EHCP Coordinator

One thing I like is...

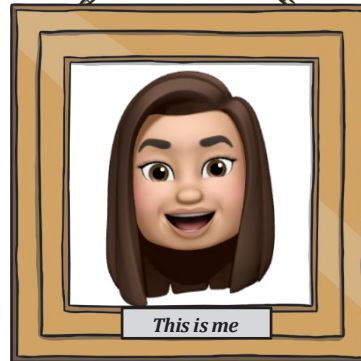

When things go well and everyone feels supported.

One thing I don't like is...

When barriers get in the way!

The best way to communicate with me is...

Through email- I will always try and reply to you as soon as I can.

The best thing about my job is...

Getting the right support for young people.

Words that describe me...

Open, understanding and dedicated.

I promise that:

1. I will always put the needs of children first.
2. I will help any way I can.
3. I will always work hard to get the best possible outcome.
