

All school aged immunisations in line with the National Programme for BaNES, Swindon, Wiltshire and Devon are provided by HCRG Care Group on behalf of the NHS. Details of our service can be found at: [Wiltshire Children's Services Immunisation Service](#)

Routine School Aged Immunisation Schedule delivered in schools from Sept 2022:

Years R – 6	Nasal Flu
Year 8	HPV 1 st dose
Year 9	HPV 2 nd dose
Year 9	Diphtheria, Tetanus and Polio (dTaP/IPV or DTP) booster Meningitis ACWY (MenACWY)

A full guide to immunisations for young people can be accessed at:

[A Guide to Immunisation for Young People](#)

The above immunisations are offered in your child's school, who our Immunisation Team work with in partnership. All information will be shared via your child's school.

You will be sent an electronic link with full details of the immunisation and we ask that you complete this on receipt to provide consent, or to decline the offer if you do not wish your child to receive the immunisation offered.

You can also contact our Single Point of Access on 0300 247 0082 or email the team using vcl.immunisations@nhs.net if you would like further information or support with completing the consent.

If you have provided consent for your child to be immunised and they are absent on the day of the session, they will still be offered the vaccination either when the team re-visit the school, or at a community clinic. Further information will be provided on how to access this.

Other school aged immunisations that can be accessed in clinic settings:

<p>Covid 19</p> <p>Accessed through vaccination centre appointment/walk in site using: NHS Website: Coronavirus (COVID-19) vaccination</p>	<p>All children/YP 5 – 15 years</p> <p>Information available at: NHS Website: Coronavirus (COVID-19) vaccine</p>
